

## VARIABLE PRESSURE ACCUMULATION CONVEYOR

1700 Division Street, New London, WI 54961

Phone: (920) 982-4030; Fax: (920) 982-6800

Website: www.nleco.com

This conveyor is designed for applications where dwell stations or safe accumulation of product is needed. Allows a changeable combination of totally free moving and controlled-accumulation sections. Uses an externally adjustable bolt to quickly adjust spring-loaded pressure roller brackets anywhere from full driving force to zero.
